

The Christchurch Antique Bottle and Collectables Club Inc. welcomes new members!

Founded by a small group of antique bottle collectors in 1976, the Club has since evolved to cover all manner of antiques and collectables. Bottles are still an interest but we welcome owners and collectors of pottery and porcelain, photographs, tools, advertisements, medals, clocks, ephemera, souvenirs, commemorative items – the list is endless. You don't have to be an active collector to join but you may find that you catch the collecting bug!

We aim to promote and encourage both collecting and research on collectables by providing a forum in which collectors enjoy fellowship while sharing their knowledge. The publications of the Club, such as the recent Christchurch bottle book, show what can be achieved when collectors pool their expertise.

We meet on the last Sunday of every month from January to November. Our meetings begin at 7.00pm and are held at:

Rarakau-Riccarton Community Centre, 199 Clarence Street, Christchurch 8053

We encourage members and visitors to bring along recent finds as well as items on an advertised theme. These displays can encompass some amazing and rare things, many with a fascinating history. With sales tables, a raffle, plus tea, coffee and biscuits, the monthly meeting of the Club is a friendly and informal event.

As well as our monthly meetings we hold shows and fairs which are open to the public. We also have occasional outings to places of interest and shared meals. We have an email newsletter to keep everyone up to date and exchange information.

Our annual subscription is \$25.00 per person/family.
If you would like to join come along to a meeting or contact
